Teacher Licensure | [www.msj.edu/teach](http://www.msj.edu/teach)

### WHY THIS PROGRAM MAKES SENSE

You'll earn your master's degree and be eligible for multi-age licensure (grades K-12) in either art or music, in the state of Ohio. Through reciprocity agreements, you'll also be eligible for licensure in other states. Most classes are held in the evenings and on Saturdays to accommodate the schedules of working adults. Methods classes and clinical placements are during the day. Most of our courses include online and in-class components. Undergraduate courses from your bachelor's degree may fulfill your content area. In some cases additional content courses may need to be taken. You will have hands-on classroom experience.
